Reference: New Water Rates Effective June 1, 2025

Dear Member/Customer:

Due to the increased costs of operations, multiple water cost increases from the City of Corpus Christi over the last eight (8) years, and required future infrastructure improvements, the Violet Water Supply Corporation Board of Directors, after much consideration, finds itself in a position of having to raise water rates effective June 1, 2025. The last increase in water rates occurred in 2017.

The new rates are as follows:

	<u>Old</u>	<u>New</u>
Base Rate (2,000)	\$37.10	\$39.21
For Every 1,000 over 2,000	\$12.95	\$13.69

The Board of Directors also voted, that for the future, water rates will be reviewed annually in January of each year.
